PROFOUND WEIRDNESS !!

WEIRD ... BUT SO WONDERFUL

Very peaceful and friendly planet, PACCET Planet, was attacked by mystery creatures. The people in PACCET Planet were all captured. You who went to investigate PACCET Planet found out that Baraduke Fortress of evil OCTY is built under the ground of beautiful PACCET Planet. Now you are the only one who can save this planet! Get armed with wave cannon and shield, and wipe OCTY out!!

The Baraduke Fortress goes deeper and deeper to the underground and each layer is closed by a gate.

Butch of OCTY are coming to attack you! Counter-attack OCTY with wave cannon. Otherwise the gate to move forward cannot be opened until all OCTY are defeated.

By defeating all OCTY, the hidden capsule appears on your way. Something is hidden inside.

Intellectual creature, PACCET, speaks English and is your good friend who gives you more shields to protect yourself.
